

Youngbloodz, Imma Shine

Im gonna get it and we gonna get it and you gona feel it and you gonna get it
Im gonna get it and we gonna get it and you gonna get it and you gonna feel it
Im gonna get it and we gonna get it and you gona feel it and you gonna get it
Im gonna get it and we gonna get it and you gonna get it and you gonna feel it

Chorus

Imma shine, Im gonna make it

Aint nothing to it to it

Ill take it (i take it)

I feel it (i feel it)

Ill flip it (ill flip it)

Pull it pull it ill straight get it

Imma climb

I aint waitin

theres no end to the money im makin

for streetin for chasin we get it in

the crunk hatin

If ya dont believe you dont succeed

and if ya dont apply you wont achieve

keep ya head up high

feet down low and follow your heart

to get to the door

if there is a will then here's a way (not bells and wheels and wheels away)

never trust a soul im here to say

Stop dependin and be yourself

and grab a hold and dont look left

so take a swing now heres your chance

you got nothing to lose so make a stance

see the clock is tickin and time aint waitin when ya

all alone see thats what your facin

Chorus

Imma shine, Im gonna make it

Aint nothing to it to it

Ill take it (i take it)

I feel it (i feel it)

Ill flip it (ill flip it)

Pull it pull it ill straight get it

Imma climb

I aint waitin

theres no end to the money im makin

for streetin for chasin we get it in might

the crunk hatin

Ya i know imma make it i was meant for this

Imma with ya in the eye lookin for the ten for this

and i dont steal i pimp for this

ride round with a hundered round clip for this

what happen to the struggle its called

and eviction notice

now people strong self evicken notice

perscription cops serve keep it real

and fine but if i get caught wit it imma face some time

and its hard being young and rich

trying to survive

trying to keep a shot to shine

on the poor headed ties

couple mill

and i buy new whip for the wife

talk that shit but this is my life

Chorus

Imma shine, Im gonna make it

Aint nothing to it to it

Ill take it (i take it)

I feel it (i feel it)

Ill flip it (ill flip it)

Pull it pull it ill straight get it

Imma climb
