

# Youngstown, You Want What You Want

Verse 1:

Too much of any thing can  
Bring you down  
Rather live in excess than to die and drown  
You better have a damn good soul for going in the ground  
As long as you can swim, as long as you can be

Chorus:

You want what you want when you want it  
You'll do anything just to have it  
When you finally see that you got it  
You don't want it anymore  
You take candy from a baby  
And you call yourself a lady?  
And when your desires faded  
Do you want me anymore?

Verse 2:

If I would let you live in me  
How deep inside would you have to be  
Before you realized you couldn't breathe  
I wouldn't want to see what I be when you leave

Chorus:

You want what you want when you want it  
You'll do anything just to have it  
When you finally see that you got it  
You don't want it anymore  
You take candy from a baby  
And you call yourself a lady?  
And when your deseires faded  
Do you want me anymore?

Repeat Chorus 3x

You want what you want
