## Dark Retaliations

Once upon the cross  
When mankind was lost  
A human rised and stood against god  
He gave light to men  
He brought them the flame  
To see the lies through the darkness  
Oh lord  
Throne of blood  
Creator of lost souls  
Ignorance fades away  
They found their own way  
Delivered from the dictatorship  
Seeing his defeat  
Lost of benefits  
The altar needs a sacrifice  
God of none and all  
Fake bloody idol  
Crucified the new messiah  
Prometheus his name  
The innocent condemned  
By fear of god to loose his ship
