You've got me singing  
Gonna give You all my praise  
And all will know that  
You gave Your life for me

You got me shouting  
For all the world to hear  
That You're the One  
And I'll live for You my King

Follow You  
Follow Jesus  
Follow You  
Follow Jesus

I will not turn from Your ways  
Jesus I'm Yours all my days  
I'll go wherever You will go  
I will not turn from Your ways  
Jesus I'm Yours all my days  
I'll go wherever You will go
