## Yuki Kajiura, In the land of twilight, under the mod

in the land of twilight, under the moon we dance for the idiots ring-around-the-roses, jump to the moon we sing with the castanets I will sing for crescent moon dancing with the castanets as the end will come so soon in the land of twilight now you are watchin' us outside the circle wanna be in the company boy, but you are lonely dance with nobody run away child, to your hiding place high and loud, the sound of your bell of the twilight...ringing... all alone, it rings and echoes in the twilight in the land of twilight, under the moon we dance for the idiots ring-around-the-roses, jump to the moon we sing with the castanets
