Uh. Where my ladies at?

Let's do this.....uh, Menage A Trios style.

It's the 90's, and regular sex is played out.

I need two women, at one time!

One time!

Verse 1 \*(Yukmouth)\*

What?

Uh.

Let's take it back, to the day we first met

I see you and your girls buyin purses

lookin like two Miss Universe's

make a nigga wanna curse &quot;Shit!&quot;

who them two bitches, let me go spit a couple of verses, see if I can work it

I dropped some money on purpose

you picked it up, an said &quot;I dropped some&quot;

stop frontin you can tell from my watch that I got somethin

an that I squat somethin nice, pop somethin nice

up in the air so elegant

you can tell I pimp but that's irrelavent

an I can tell by the way you and yo girl hang tight

that y'all be doin y'all thug thang at night

somethin like dikes

Ain't nothin like.... two girls makin love to each other

Ain't nothin like.... two girls bustin nuts up on each other

Ain't nothin like.... two girls at the club, rubbin on each other

Ain't nothin like.... two girls kissin and huggin on each other

Ain't nothin like.... two girls juss suckin on you like a sucka

Ain't nothin like.... cuz we fuckin each other, in a Menage A Trios.

Chorus \*(Kira)\* 2x
