

YUM, Monokid

you say, you don't

need anybody else to hold your
hand

anyway

you don't need to

play the part of someone else

just to get me there

it's a sunny feeling after all

it's a sun

you've come to watch the

water flowing underneath your feet

and they meet

your eyes so cute

dreamers dream a life with you

and away... away they go

it's a sunny feeling after all

you say you don't

need anybody else to hold your
hand

touch your hand
