

# Yuna, Glory

I wanna be the ocean that pulls you under  
Wanna be the lightnin' in your thunder  
Wanna be the force that brings you love  
Somewhere from the sky above

I can give you glory  
Give you all the strength in me  
Strong enough to hold us down  
So baby, put your faith in me  
Oh, oh-oh-oh, oh-oh  
Making you feel like  
Oh, oh-oh-oh, oh-oh  
Making you feel like

I wanna be the crown that shows your reign  
The steel to your armor that you wear  
I can take you to the finish line  
Making you feel like you're always in your prime

I can give you glory  
Give you all the strength in me  
Strong enough to hold us down  
So baby, put your faith in me  
Oh, oh-oh-oh, oh-oh  
Making you feel like  
Oh, oh-oh-oh, oh-oh  
Making you feel like  
Oh, oh, oh  
Making you feel like  
Oh, oh, oh  
Making you feel like
