

Yuna Ito, Stay for love

You feel the pain?
daijoubu yo Be alright
In the rain furiyamanai omoi
oh baby ai ni kizutsuitemo
If you tomadottemo
Yeh maybe ai ni sukuwareru
kitto futari dakara
ame wo kugurinuketara
I wanna take you baby
kimi to aruite yukitai
Oh hitotsu no kasa de
* "itai..." dakedo, sotto
Just do stay for love
tsuyoku naritai
motto fukaku
Always wait for love
wakariau tame no itami
kono koi kara nigenai to
yakusoku suru wa
Can't live without you
Just do stay for love
watashi wo shinjite
So through the pain
yomitoku kara All of you
Stop the rain negai wa tada hitotsu
Ooh baby ai wa chikadzuku hodo
You know mienaku natte
And maybe marude niji no you ni

Just do stay for love
