

Yung Bleu, 2AM In Houston

Oh wow, so that's how you do me?
I thought I knew you, I thought we had it like that
But I guess I was wrong
It's all good, I ain't even tripping
Two can play at that game

I cheated on her, got a new one (Got a new one)
New one (Got a new girl)
She cheated on me, got a new one (Damn)
New one
She kissed my tongue and I said, "I want you inside of me" (Vandross)
Who am I to say no to temptation? (Ooh)

Asked where she from, she said, "Houston, Texas"
Sexy, woah
(You too good to be in this situation)
I know she can do better
Better than this
But who can get you wetter than this?
That's why she never leave me

I cheated on her, got a new one (Got a new one)
New one (Got a new girl)
She cheated on me, got a new one (Damn)
New one (Ooh)
Asked where she from, she said, "Houston, Texas"
Sexy, woah
Who am I to say no to temptation? (Ooh)

She way too cute for number two, way too cute for number two
I had an entanglement with her while we was fucking too
She said you hurt my heart, but I can't help, you got too comfortable
These hoes gon' switch up like Shanaynay
So I bet my bitches in and out like for the love of Ray J
She gon' eat this dick up for a payday
Ooh, now you talking my language
Whoever said this love gon' be painless?
Lifestyle of the rich and famous
And now she hating me

I cheated on her, got a new one (Got a new one)
New one (Got a new girl)
She cheated on me, got a new one (Damn)
New one
She kissed my tongue and I said, "I want you inside of me" (Vandross)
Who am I to say no to temptation? (Ooh)
I cheated on her, got a new one
Cheated on her, got a new one
Asked where she from, she said
Asked where she from, she said
