

# Yung Bleu, Damn, I'm Jealous

This where we at right now?  
Oh, this the vibes?  
Naw, uh

I'm jealous  
'Cause I know he ain't got shit on me  
So damn right, I'm jealous  
But I think I got some shit up my sleeve  
'Cause I'm jealous  
And I know, and I know it's so selfish  
I'm jealous  
Jealous of what you found 'cause I've been searchin'

I done been searchin', yeah  
I done been lurkin', yeah  
I'm talkin' buyin' a few Birkins, IG surfen'  
I done spend my last tryna buy love  
Just like a junkie tryna buy drugs  
I wish that I can say that I love you  
But I just hate the fact that he fucks you, yeah  
I think it's true enough, I think I'm through with love  
But I must admit

I'm jealous (I'm jealous)  
'Cause I know he ain't got shit on me  
So damn right, I'm jealous (So jealous)  
But I think I got some shit up my sleeve  
'Cause I'm jealous (I'm so jealous)  
And I know, and I know it's so selfish  
I'm jealous  
Jealous of what you found 'cause I've been searchin'

This is why I feel like a loser  
Every time I get a girl, I lose her  
Honestly, I just want sex, she say I use her  
But she give me good brain just like a tutor  
She like, "This ain't gon' lead nowhere, I don't see no future with you, Bleu"  
Call me Young Moon, I'll be back to your planet soon

I'm jealous  
'Cause I know he ain't got shit on me  
So damn right, I'm jealous  
But I think I got some shit up my sleeve  
'Cause I'm jealous  
And I know, and I know it's so selfish  
I'm jealous  
Jealous of what you found 'cause I've been searchin'

And I hate to see her go (Her go)  
But I love to watch her leave (Oh, oh)  
Like you hypnotizin' me (Oh, yeah)  
This is why I feel like a lame  
Every time I get a girl, I change  
Thinkin' so wrong with my brain  
So I'm jealous, oh, oh, oh, oh

I'm jealous  
'Cause I know he ain't got shit on me  
So damn right, I'm jealous  
Trust me, I know it's so selfish  
I'm jealous
