

# Yung Bleu, No, I'm Not Ok

No, I'm not okay, stop askin'  
No, I'm not okay 'cause I'm crashin'  
When you try to heal the wounds, but all it do is bleed  
And you realize it cut you too deep  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay, stop askin'  
No, I'm not okay 'cause I'm crashin'  
When you try to heal the wounds, but all it do is bleed  
And you realize it cut you too deep

And I think that I forgive you, we were so, so young  
Tell me what the hell I could've done that had you on the run?  
She said, "Baby, I'm with my friends and we are havin' fun"  
I'ma go get drunk, when I get home, I'ma give your ass this tongue (Oh, is that right?)  
But they say you ain't come (Damn)  
Do I look dumb? (No)  
I must look dumb to you (I do)  
This why I can't fuck with you  
Know you told one side of the story, but every story got two

No, I'm not okay, stop askin'  
No, I'm not okay 'cause I'm crashin'  
When you try to heal the wounds, but all it do is bleed  
And you realize it cut you too deep  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay

Oh, no, I'm not okay  
Whole situation hit my heart just like tidal wave  
And when it get dark, I pray to God that I see brighter days  
Had to cut you off 'cause I've been lost like I've been in a maze  
Swear you would be amazed  
The shit that people do to you  
But you gotta stay true to you, love, it's beautiful  
Don't let it ruin you, gotta keep doin' you  
'Cause you that nigga for sure  
So I suggest you keep on walkin' when you passin' me  
And don't keep askin' me  
I'm not okay

No, I'm not okay, stop askin'  
No, I'm not okay 'cause I'm crashin'  
When you try to heal the wounds, but all it do is bleed  
And you realize it cut you too deep  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay  
No, I'm not okay
