

Yung Bleu, On Cam

All these freak hoes just want a daddy
I'ma hit you from the back, say bitch you nasty
I'ma finger fuck the cash, I do it flashy
No you can't get no cake, don't even ask me
And soon as I press record she gon' fuck me on cam
She say I can't get no nudes but gon' fuck me on cam
How the fuck you gon' be my lil freak if you can't fuck me on cam?
I got stamina, come back it up and fuck me on cam
On cam (ugh ugh), she gon' fuck me on cam
(And it's X-rated too, you know what I'm sayin')

Know your mama fed you good girl, that's jelly, not jam
Keep that blue check on my 'Gram, girl you know who I am

Grip the dick like forty chrome and cock back 'til I shoot
