

# Yung Bleu, Thugs Need Love

Yeah yeah yeah yeah

I'm just a thug, I need love just like anyone else  
I'm just a thug, I need love just like anyone else  
I'm just a thug, I'm just a thug, I'm just a thug  
I'm just a thug, I need love just like anyone else

I need you like you need me, don't just think 'cause I'm a thug  
That I ain't got no feelings, you know thugs need love  
You know how to make me beg for it, that pussy tight  
Stack that cake up every night just to get that bread right  
You shinin' like some headlights  
Ooh, I want to thank you  
For holdin' me down when shit get rough and it get gangster  
You fuckin' with a gangster (gangster, real shit)  
I let her hold the banger, she thought I was just a singer  
You ain't fuckin' with no actor

I'm just a thug, I need love just like anyone else  
I'm just a thug, I need love just like anyone else  
I'm just a thug, I'm just a thug, I'm just a thug  
I'm just a thug, I need love just like anyone else  
(Tell me now, do you need my love?)

See I need love like you need love  
A hug like you need hugs  
What you want girl? speak up  
Ain't no pressure girl, we up  
And look we up, higher than a jet  
I must admit girl you is flyer than a pilot on this jet  
So I put diamonds on her neck, yeah  
This is perfect timing, I was trying  
I was searchin' for a lot that I wouldn't find, but now I found it  
I been searchin' for my girl and now I found her  
I like bein' around her, I'ma hold her down, oh yeah-yeah

I'm just a thug, I need love just like anyone else  
I'm just a thug, I need love just like anyone else  
I'm just a thug, I'm just a thug, I'm just a thug  
I'm just a thug, I need love just like anyone else  
(Tell me now, do you need my love?)

Crazy how that money turn you on  
I'm just tryna turn you on, that bitch stay blowin' up my phone  
You talkin' like you had it with my shit  
But I'm a thug, I'm on the block  
Don't be embarrassing and shit, I put some karats on your wrist  
Just for the fuck of it, I ain't talkin' 'bout no marriages and shit  
But you fuckin' up my shit, hah  
How you gon' test me when you know I'm thug?  
How you gon' test me when you know I love you?  
You know I love you

I'm just a thug, I need love just like anyone else  
I'm just a thug, I need love just like anyone else  
I'm just a thug, I'm just a thug, I'm just a thug  
I'm just a thug, I need love just like anyone else
