

Yung Bleu, Wanna Fuck

You ain't gotta
You ain't gotta say too much

You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck (you wanna fuck)
And you ain't gotta call me your boo (call me your boo)
'Cause as bad as you wanna fuck, I wanna fuck too
I can read your mind, yeah yeah
Wanna hit you from behind, yeah yeah
You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck

Bitch I wanna do you just how bad you wanna do me
Rated R in the car, we can make a movie
Say you brought your friend but that's okay, I brought my crew with me
Got you on this liquor, talkin' 'bout what you gon' do to me
Nasty lil bitch, I brought some cash in this bitch
Twenty racks in this bitch, they lookin' sad in this bitch
She gon' spaz on this dick, I had to tip her all night
Pull up with the top down so you can hear the loud pipe, yeah
She my distant lover
I make love when I fuck her, we never see each other
I take her on a date but still we wanna eat each other
I take her on a date but still we wanna eat each other

You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck (you wanna fuck)
And you ain't gotta call me your boo (call me your boo)
'Cause as bad as you wanna fuck, I wanna fuck too
I can read your mind, yeah yeah
Wanna hit you from behind, yeah yeah
You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck

I know what you want, I know what you need baby
I can't hang out when you want, I gotta get this cheese baby
All these diamonds got her hot, five hundred degrees baby
Plus my bitch get what she want, she just tell me please baby
You so gifted, I'm addicted, I think I'm a fiend baby
He couldn't take you to the playoffs, now you on my team baby
He did this straight out the tub, it's so fresh and clean baby
She just suck it, she don't swallow, like it's Listerine baby
Ooh, she like the way I rock my clothes
I'm a real nigga, I turn up at all my shoes
Is you ready for this dick, I'm like get ready, set, go
Is you ready for this dick, I'm like get ready, set, go

You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck (you wanna fuck)
And you ain't gotta call me your boo (call me your boo)
'Cause as bad as you wanna fuck, I wanna fuck too
I can read your mind, yeah yeah
Wanna hit you from behind, yeah yeah
You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck

Hey, I can tell you wanna fuck, I'm psychic
Let me fuck you and your friend if she dyking
Ooh, I know you like it
Ooh, I know you like it
I'ma have you home by two (by, by two)
You do me, I do you (me, me, do you)
You know my diamonds got the flu (diamonds, diamonds, diamonds)
You know my diamonds got the flu (diamonds, diamonds, diamonds)

I'ma do you and your crew (I'ma do you and your crew, let's go)
I'ma do you and your crew (I'ma do you and your crew, for sure)
You can sleep over girl, it's cool (sleep over girl, it's cool)
You can sleep over girl, that's cool

You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck (you wanna fuck)
And you ain't gotta call me your boo (call me your boo)
'Cause as bad as you wanna fuck, I wanna fuck too
I can read your mind, yeah yeah
Wanna hit you from behind, yeah yeah
You ain't gotta say too much, from the look in your eyes
I can tell you wanna fuck

Fuck, fuck, fuck
