I know I'm always calling you crazy  
Shit I'm crazy too

You crazy, I'm crazy too

That's why we fight like we do  
You crazy, I'm crazy too  
Oh-oh woah-oh-oh woah-oh-oh  
Crazy too  
Oh-oh woah-oh-oh  
What's wrong with you

What the fuck is up with you (what the fuck is up)  
I love you bitch, you love me too  
We be fucking every blue moon  
You crazy, I'm crazy who's who  
Take me to your special place  
I brought magnums just in case
