

Yung Gravy, You Need Jesus (BABY GRAVY)

So Yall already know gravy ran for pope, right?
I was just minding my own business, doing Gravy activity
This girl comes up, she said

You need Jesus
Go back to church (bitch)
What if i don't wanna
Smokin marajuana
Deliver her banana
Take a few hits then im reaching my nirvana (Where you at)
I aint hittin sunday school (amen)
Get bread, sip wine after school (bought a cat?)
Baptized - infinty Pool
3 wise hoes, what would Jesus do?

Catch me on the block slamming big cock
50 on a watch, make a white bitch crip-walk
Drain a couple 3s, first name barack
Call my mama tell her Got a star on the sidewalk

Four days like 20 condoms
Practice safe sex no problem
She licky on my dicky thats the cerabelum
Bro chill out ... honestly
You need Jesus
Fake news
Prance around the club With the quaaludes
Oh my god gravy just came thru
Like what the heck did they pay you
Maybe i just wanna turn up with the homies
and the honeys in bahamas
I be in hawaii just to pull up on moana
Wait how old is moana? Not a milf
Fuck that ill take her mama

(Chorus)

First things first i run an audible
Hair real nice i'll sell my folicles
Break a sweat in her abdominals
Deep in her mariannas trench, nautical
Mother nature tryna fuck im doin botany (plants)
Gravy got a pool man that shit is watery (splash)
Baby cash got cash won the lottery
Im a g with a d, getting p, that's ecomony

Como se llama
They call me gravy im hot like a sauna
Colite de rana
Im in mi cama, Just countin up commas
Say adios to your bitch, call manana
Y tu mama tambien
Hitting hot yoga off an ambien
Wake up in the morning with a Tampa 10
Oh shit, and a friend
Wait wait hold up
