

# Yung Joc, New Joc City (Intro)

[movie announcer]

Now showing

New Joc City, starring Yung Joc, A-T-L's most wanted  
In an action packed movie about gunfights  
grinding, the ol' trap, and most of all, getting money

[Yung Joc]

Oh you already know what it is folk  
Hey folk, y'all niggaz watch out, dope boy's coming

Let me paint a picture, here's the backdrop  
Niggaz on the block with a sock full of rocks  
My intuition tells me, here come the cops  
First nigga run, last nigga get knocked  
A couple hours later when it's time to get bonded  
Ten percent of four stacks cost you four hundred  
I had to use a alias cause I'm a most wanted  
Now I'm back in the Chevy on the pedal and I'm running

[announcer] New Joc City!

[dispatcher] 210, we have a visual on the subject

[the police] Roger that

(Five-oh nigga!) Nigga I see 'em that's five-oh nigga

(Oh shit!) Nigga that's five-oh (Run nigga!)

[Yung Joc]

Now I gotta switch up cause my trap on fire  
It's hot like the thermostat was set on high  
I need another spot just to stash those pies  
I'ma juice the first down hoe that rode by  
I'ma tell ya like this, watch yourself bruh  
The first time she get wrong it time to check her  
Even though she lick me from my balls to my neck up  
I gotta watch myself cause this could be a set up

[announcer] The saga continues

[loud knocking on door]

[Yung Joc] Baby see who the fuck who it is

[the broad] I don't know!

[Yung Joc] You got, you got somebody coming over here?

[the broad] Nah, I mean, you know nobody coming this late

[Yung Joc] Man, who the fuck is that man

[Yung Joc] Them motherfuckers acting

[glass breaking]

[Yung Joc] like they trying to get in though man - OH SHIT!

[Yung Joc]

That's when the do' swang open like WHAM  
Niggaz pointing choppers at me like Uncle Sam  
Thanking to myself "What the fuck, God damn"  
I sho' hop to God that this nigga chopper jam  
I'm looking at him crazy, I don't know what to tell him  
He put the chopper to the back of my cerebellum  
I tell him, the block's in that box on the flo'  
But if you touch that bitch the whole house gon' explode

[announcer] New Joc City!

[computer] 10 seconds 'til detonation

Ten, nine, eight, seven, six, five, four, three, two, goodbye  
(kaboom)

[announcer] This has been another Bad Boy South

[announcer] Block Entertainment production

[announcer] Now showing in your local fucking hood
