

Yung Niggas, Back Up (Free Style)

You Want Me To Battle You, Huh, All I Gotta Do Is Spit A
Couple Line And You Through, Cause I'll Rip You Up, And
Stuff You In A Cup, Pour You Out, And Show You What It's
About, Kick You In Your Chin, Make You Loose Your Wind, My
Skill Is Ill, My Raps Is Real, Cause What I Do Is Tell You What I
Feel, Do What You Please, Once I'm Done, You Gon Be Laying

Down With Z's, Slapping At Your Knees, Cause They Itch, With
Ants On Your Body While It's Beginning To Twitch, Turning
Into A Witch, Instead Of A Fish, I'll Have You On A Dish,
Makin One Last Wish, Wishing You Were On The Courts Makin
One Last Swish.
