

# Yung Niggas, Keeping It Real

I'm Back 1 More Gain Just To Be In, Staying Up On My Feet Holding  
About 20 Fins, Keepin It Real In Life, Trying To Get A Girl Or A Wife,  
Listening To All This Gossip, Cause Niggas Can't Hold They Lip, Always  
Tryin To Cap Up On Your Nice Little Dip, Tryin To Be Real, But They  
Can't Cause They Ain't Got The Balls To Express The Way They Feel,  
But Still, Can't Stay Out My Grill, They Just Don't Know, If They Don't  
Get Out My Grill, They Gon Get Burnt, Sitting There Hating, Not  
Knowing That Every Dime I Make Is Earned, Every Rhyme I Make Is  
Learned, By Niggas That's Tryin To Listen In, Stepping In Your Face  
Just To Get Hit In They Chin, Don't Forget When You Battle Me You  
Won't Get Not 1 Win.

Where My East Side Niggas That's Holding It Down  
Where My West Coast Niggas That Stay All Around  
Where My South Side Niggas That's Never On The Ground  
Where My North Coast Niggas Even The Ones In The Pound

All I Do Is Shine, Without A Nine, Just Spit Rhymes, That Will  
Mess With Your Mind, Take What's Mine, Stay On Time, And Floss With  
Only Dimes, Not To Mention Even Flow Online, I Be Doin What I Got To  
Do, Keepin Everything True, And Stickin With My Favorite Color Blue,  
Niggas Can Act Hard If They Want To, Cause Once They Get Knocked  
Out They Go Look Like A Fool, Niggas Don't Know Me Yet, I'm That  
Niggas That Holds The Whole Set, And When They Out Partying, I Be  
Makin They Girls Wet, Sweat, And Tired, Keepin Them Wired, Like The  
F.B.I, Niggas Smoking Anything Just To Get High, Got Girls Scared To  
Cap Or Even Say Hi, But Yet They Claim They Didn't Want To Look Me  
In The Eye, So What You Do Is Don't Ask Why, Just Let Them Cry, And  
Then Tell Them Bye Bye .
