

Yungstar, Lane 2 Lane

(Hook (4x))

Swangin lane 2 lane in a dropper

On the count of 3

Southside roll choppers

(Lil' Flex)

Me and James on jane as I swang down Main

Lane 2 lane, music bang, residential complain

Some say it's a shame I'm grippin' to much grain

Candy stains on both lanes, like a wet airplane

Speed limit 45, what that mean to me?

I'ma skate like Grezky doin' 183

On the stretch, hard to catch, I'ma circle da' block

Second time around your corner, I'm recline da' top

Screens drop, trucks pop, do's lock, glock cocked, next stop at IHOP,

We swang drop, bottoms flop

"MAKE IT HOT, MAKE IT HOT," is what da kids be yellin'

Candies reds dey be dredin', pounds of smoke I'm in heaven

I'm supreme, by any means, hovercraft with seven screens

20 inches cutting sharper den the crease in my jeans

Car hoppers, chase choppers, write my name across dey lockers,

Wood popper, you should ??, I won't stop for these boppers, we roll

(Hook)

(Lil' James)

Lane 2 lane in the dropper, stretch Excursions on choppers

Helicopters with minacas, different boppers who knock us

Truck poppers, top droppers, we TYP

What you see, I see the, 1-2-3 do with me

I creep smoke a tree, TV'S, DVD'S

Burban' swearin down da' street, Flex fallin in da ???

From 2PSP, fitin' to wreck the industry

??? to the T, feel me, who I be?, LIL' JAMES!

Grabin' grain, switchin' lanes down Main

People complain cause I swang, with screens fallin' like rain

Slightly cracked trunk open, if I'm choppin' or postin'

Paint soakin down da' beltway as I tossin' and toakin', coastin',

Sippin' potion, ain't no braggin' or boastin'

Dey jokein' while I'm postin' wit' my yacht on da' ocean

If its hoops or coupes, we let the trunk sake loose

Hot juice, show proof, and gently raise da' roof.

(Hook)

(Wood)

Swangin lane 2 lane with my hands against da' grain

Workin' my wood wheel when I swang and bang

CD's change, & DVD, disks keep on spinning

Don't make me crank up 300 horses in my engine

Hit my ignition burning 20 inches dey choppers

Got da harness on top might be tint, it might be drop top

Dress dirty, in da' trucks, gatta call my boys

In da hood doin' 30 or a 108 on da' Autobaun

And I'm the son of a king with a castle and pond

Shinin' like da' sun, every mornin' when you young

Soon to come, I'ma stunt, and I strain, the game is in me

It's time to play baby, let's put these swangers on da' bently

Niggas chins get checked, ask Flex we got plex

From the count of three, let's take these choppers on the lex

We put blades on trofo-trucks??, cause we off da' chain

Lane 2 lane against da' grain, Wood, Flex, and Lil' James.
