

Yusuf Islam, One Day At A Time

One day at a time
we can learn to leave the past behind
One day at a time
we can look the future in the eye
One day at a time
we can learn to live

The gates of the garden are open wide:
and the trusting 70 thousand will enter
of them without reckoning

One day at a time
we can learn to leave our fears behind
One day at a time
we can stare our hopes in the eye
One day at a time
we can learn to live

and if you meet the evening
don't wait for the Sun to rise

One day at a time
we can leave all treasures behind
One day at a time
we can watch the clocks unwind
One day at a time
a child is born into this world eyes blind
But one day he will find - his sight, and glimpse
another kind of Light
to live by - one day
One day at a time
we can put machines behind
One day at a time
we can learn how birds survive
One day at a time
we can learn to fly
