

Yvonne Catterfeld, If you

Oh tell me
That YOU feel sorry
Oh its a lonely night
For me
Feels like eternity
Oh tell me
That YOU wanna feel me
I wanna share my love
With YOU
Make my dreams come true
If YOU stay with me
I need no hero
If YOU need my love just like I do
If YOUve got a heart
Oh baby I know
This love is good for YOU
If YOU stay with me
Ill be your angel
If YOU think YOU know
That I love YOU
If YOU really want me were together
Oh see what love can do
Oh tell me
Theres a tomorrow
That there is a chance
For me
YOU are my destiny
Oh tell me
That YOU dont worry
Why does it fell so good
With YOU
Oh babe dont make me blue
If YOU stay with me
I need no hero
If YOU need my love just like I do
If YOUve got a heart
Oh baby I know
This love is good for YOU
If YOU stay with me
Ill be your angel
If YOU think YOU know
That I love YOU
If YOU really want me were together
Oh see what love can do
I love YOU so much
Oh tell me
That theres a tomorrow
That there is a chance
For me
YOU are my destiny
If YOU stay with me
I need no hero
If YOU need my love just like I do
If YOUve got a heart
Oh baby I know
This love is good for YOU
If YOU stay with me
Ill be your angel
If YOU think YOU know
That I love YOU
If YOU really want me were together
Oh see what love can do
Baby I love - I love YOU
