

Zakk Wylde, Destruction Overdrive

forever rolling on
the wars we wage unknown
eternal is the blessed end
destruction overdrive
disregard for life
obsessed throughout the end of time
ohhhhhhh yeah
throughout the end of time
throughout the end of time
throughout the end of time
throughout the end of time

the masses gather 'round
the drug of choice is found
the hate machine keeps rolling on
oohhhhhh yeah
it keeps rolling on
it keeps rolling on
it keeps rolling on
it keeps rolling on
it keeps rolling
it keeps rolling
it keeps rolling
it keeps rolling, rolling on
oh yeah
destruction overdrive
destruction overdrive
destruction overdrive
destruction overdrive
destruction overdrive
destruction overdrive
destruction overdrive
