

# Zakk Wylde, Nothing's The Same

Nothing's The Same

Lost again and all alone  
Lost again for I should have known  
So many storms, so many times I've died  
Another goodbye

Crash and burn, refuse to learn  
Your only friend inside the scars that never mend  
This trip inside the dark  
The neverending rain  
Kill the past, nothings the same

All the faces that I once knew now are all gone  
Days turn into years, rolling on  
So many storms, so many times I've died  
Another goodbye

Crash and burn, refuse to learn  
Your only friend inside the scars that never mend  
This trip inside the dark  
The neverending rain  
Kill the past, nothings the same

Crash and burn, refuse to learn  
Your only friend inside the scars that never mend  
This trip inside the dark  
The neverending rain  
Kill the past, nothings the same
