Ktahya's springs swirl
Arm in arm, the guards stare
Arm in arm, the guards stare
Wool suits the man with the scepter

Oh mercy gift of god, is this how it is
If I die will the world be yours
Oh mercy gift of god, is this how it is
If I die will the world be yours

Healthy he was but now he has died
My snow white skin with blood is dyed
My snow white skin with blood is dyed
Whoever shot you, he must have cried

Oh mercy gift of god, is this how it is
If I die will the world be yours
Oh mercy gift of god, is this how it is
If I die will the world be yours
Oh mercy gift of god, is this how it is
If I die will the world be yours
Oh mercy gift of god, is this how it is
If I die will the world be yours
