

# Zara Larsson, Invisible (piosenka z filmu Klaus)

how many nights do you lie awake  
in the darkest place  
how many days do you shed the pain  
of your darkest days?

all I know is  
if happy lives a mile away  
a couple steps is all it takes  
if kindness lives in everyone  
then all it takes isn't enough

can't touch it, see it  
but you can always feel it  
the greatest things you'll ever know  
are invisible /2x

how many words does it really take  
to make a change  
how many fights is it gonna take  
to convince what joy could bring?

all I know is  
if happy lives a mile away  
a couple steps is all it takes  
if kindness lives in everyone  
then all it takes isn't enough

can't touch it, see it  
but you can always feel it  
the greatest things you'll ever know  
are invisible /2x

you can't take it, steal it  
but you can always be it  
the greatest things you'll ever know  
are invisible /2x

they are invisible /4x
