

Zara Larsson, So Good (ft. Ty Dolla Sign)

So good /4x
You know my love is
/2x

My love is more potent than anything in the cup
That you're holding
One little taste will have you open
And I know you want some
You want some
Too strong, no limits
It's no official
So take your time with it
It go straight to your head
Control your mind with it
And I know you want some
You want some

You know that I'm the only one that's gets you higher
Gets you higher, baby
And you ain't gotta worry, cuz you know I got it
Know I got it, baby!

You be stuck on it
Cuz my love so good
So you keep coming back to get some more
Got you on your feelings
All emotional
My love /2x

So good /4x
You know my love is
/2x
