

Zebrahead, Falling Apart

Stutter step through another trap set by deception

Mention rejection

Always lies in your eyes

Settles in your action

Jeopardize everything that I want

And I won't compromise anything anymore

In any way victimize myself any more

Liberty (YEAH)

Manipulations on my mind

Expectations well defined

Frustrate me

Liberate me

Cause everything's falling apart

You can't control me, You can't control me

Everything's falling apart

Now I can't see you

Doesn't matter what I do

I can't see you

Cause everything's falling apart

I got exposed to a deeper form of infection

Shout out "I need acceptance";

Always lies in your eyes

Settles in your action

Criticize everything that I do

And I will overcome anything that's in store

Nevermore look up to you and adore

Liberty (YEAH)

[Repeat Chorus]

Manipulation is on my mind

Inspect me - try to check me

Expectations well defined

Dissect me - want to wreck me

Violator of my own will

Accept me- reject me

Separate or SHOOT TO KILL

[Repeat Chorus]
