

# Zero 7, Passing By

I don't think you love me.  
Confusion's setting in.  
I don't think I'll be staying  
around here  
anymore.

There's no question that I love you  
but I'm living in my own time  
well here I am, debating, whether I am wrong  
or right.

Who am I  
To make a judgment of  
your life?  
I'm only  
passing by.  
Passing by

All the promises  
I gave you  
helped me to  
survive.  
All the times I wished  
you'd save me.  
You're the love  
of my life.

Who am I  
to make a judgment of  
your life?  
I'm only  
passing by.  
Passing by

Who am I  
to make a judgment of  
your life?  
I'm only  
passing by.  
Passing by

Ahhhhhhhhhhhhhhhhhh...  
Ahhhhhhhhhhhhhhhhhh...

Who am I  
to make a judgment of  
your life?  
I'm only  
passing by.  
Passing by.
