

Zero 7, Passing By

I don't think you love me.
Confusion's setting in.
I don't think I'll be staying
around here
anymore.

There's no question that I love you
but I'm living in my own time
well here I am, debating, whether I am wrong
or right.

Who am I
To make a judgment of
your life?
I'm only
passing by.
Passing by

All the promises
I gave you
helped me to
survive.
All the times I wished
you'd save me.
You're the love
of my life.

Who am I
to make a judgment of
your life?
I'm only
passing by.
Passing by

Who am I
to make a judgment of
your life?
I'm only
passing by.
Passing by

Ahhhhhhhhhhhhhhhhhh...
Ahhhhhhhhhhhhhhhhhh...

Who am I
to make a judgment of
your life?
I'm only
passing by.
Passing by.
