

# Zero Hour, The Subterranean

Its Progress Has No Limits  
And Neither Do The Eyes  
Of The Subterranean Cynic  
The One Who Must Hide  
For All This Time  
He Has Chosen A War Path  
He Will End Its Greed  
Feeling Beings Feeling  
Nothing  
I Will Set Its Limit  
For My Future Has No Home  
The Snake Is In The Garden  
I Go On Alone  
I'm In Its Yesterdays I've Seen It Rise  
Escaped By Thinking Twice I Live So It Must Die  
I'm The Mystic I'm The One  
I'm The Seasons It's The Sun  
I'm The Moon You're Its Need  
I Will Make It Bleed  
I'm The Moon It Is The Sun  
I'll Eclipse All That It's Done  
I'll Bring Renewal Through Destruction  
I Will Make It See  
This Is A Warning Of No Compromise  
The Arrogant Will Be Made Humble  
The Ignorant Will Be Made Wise
