

Zeromancer, Germany

Some days are just a copy
Of a day you had before
You flash yourself thinking
You can't take it anymore
Never feels more alone
When you're in a crowded room
You bang your head
To a wall
You feel nothing
Nothing at all

I just want to feel the same
Just want to feel the same
I just want to feel the same
Just want to feel the same
Some things will never change
I just want to feel the same
just want to feel the same
Some things will never change
I just want to feel the same
just want to feel the same

Always knew you'd be a star
Now I know that's what you are
And we cry
To a new beginning
We deny
A new beginning

So let me introduce to you
This favorite play of mine
A comedy called Germany
You may not understand
The funny thing it's about someone
Who's never been alone
Just trying to be a friend
So you can start all over again

Some things will never change
I just want to feel the same
just want to feel the same
Some things will never change
I just want to feel the same
just want to feel the same

Always knew you'd be a star
Now I know that's what you are
And we cry
To a new beginning
We deny
A new beginning
Always knew you'd be a star
Now I know that's what you are
And we cry
To a new beginning
We deny
A new beginning
