

Zididada, Sugartop

Release date: 1. October 1999

Album: Welcome to Zididada

When ever I'm on my own
I get the feeling
as if I am away from home
lonely and weeping

I know you care
but when I am away from you
I know that you want me
so let it be meant to be

Baby you're mine
sugartop sugartop
Sweeter than wine
sugartop sugartop

I may not be rich on green
but I got the candy
if you'll be my star on screen
you're life will be dandy

I know...
Baby you're mine

You make me feel like I'm the one
forever and ever I will come

Sugartop...
