

# Ziggy Marley, Beach In Hawaii

On the beach in Hawaii

I wish you were here with me, walking on the beach in Hawaii  
playing on the golden sand, looking at the ocean now I understand  
love is like the open sea, and I wish you were here with me  
on the beach in Hawaii

Since you've been gone away, I think about you everyday  
don't you know I miss you much, and you know I need your touch  
I'm on a rocky cliff, oh I wish you were hear with me  
on the beach in Hawaii

A little pakalolo, and I say mahalo  
ujjayi breathing, to get a real feeling  
yogi gonna let you know  
that I wish you were here with me  
on the beach in Hawaii
