Ziggy Marley, Dreams Of Home

We're having dreams of home And you know we're not alone Dreams of home And I know we're not alone

Look how long we've been away How long are we going to stay? Look how long we've been away from home How long are we going to roam?

Dreams of home
And I know we're not alone
Having dreams, having visions
Having dreams, having visions
Why can't we people see
Why can't we people see
This is not where we belong?
And there is a holy land

Dreams of home Having dreams, having visions This ain't no fantasy Prophecy Ain't nothin' strange Life must be rearranged

Dreams of home And I know we're not alone

And if you don't believe I wish you well, I wish you well And if you don't believe I wish you well, I wish you well
