You have no idea how much you hurt me
Every time you look at me you are hurt me .. every time you are talk to me you are hurt me.. every
Why.. Why... after all the things I did to you???
I left every things behind me and I came to you ??
My family ... my school .. everything...my future...
And now you are treating me like....
Now you don't care "huh. Is it that easy to say get out????
To say Move???
Is it that easy to say you don't want me in your life????
After every thing \i did??
I loved you more than any thing in my life .. I loved you alot alot
But...
How could you hit my face
how could you hit my head

I hated my life after you.. I hated every thing..
You don't care .. you just said go and you don't care
