

Ziggy Marley, Problem With My Woman

Can't take heartache
Can't take

CHORUS:

Another problem with a woman again
Another problem with a woman again
Another problem with a woman again
Another problem with a woman again

Sometimes it's hard to express yourself
To get, get things offa your chest, my friend
Tell you one more time

CHORUS

Sometimes it's hard to express
You know what I mean Robbie
To get, get things off my chest
Gonne give you one more chance

CHORUS

You know what I mean Robbie
Say, you know what I mean Robbie
I know you got them too
A woman again
