Ziggy Marley, Problem With My Woman

Can't take heartache Can't take

CHORUS:

Another problem with a woman again Another problem with a woman again Another problem with a woman again Another problem with a woman again

Sometimes it's hard to express yourself To get, get things offa your chest, my friend Tell you one more time

CHORUS

Sometimes it's hard to express You know what I mean Robbie To get, get things off my chest Gonne give you one more chance

CHORUS

You know what I mean Robbie Say, you know what I mean Robbie I know you got them too A woman again
