

Zodiac, A Bit Of Devil

So, so long now
Been holding back that feeling
That been jumping on my track
I've been strong but it's don't know
I've been wrong but it's kinda old
Lend me this something new
Let me tell you what I'm gonna do
I'm gonna, let it all out
I'm gonna, let it all out
I'm gonna, let it all

Devil got a hold of me
And I just had to set him free
Tell me God was it me or was it he
Fallen angel, twisted game
Heaven it's all the same
I've been the devil in this angel you see
Devil got a hold of me
And I just had to set him free
Tell me God was it me or was it he
Fallen angel, twisted game
Heaven it's all the same
I've been the devil in this angel you see

You, you keep on walking your walk
And talking your talk
Cause is so
Right to be loosing your mind
To put your soul I'm alive
Don't need, your moral walls
My plastic toy just waiting to fall
Ain't nothing new to me
Society's cunt I'll never be
I'm gonna, let it all out
I'm gonna, let it all out
I'm gonna, let it all

Devil got a hold of me
And I just had to set him free
Tell me God was it me or was it he
Fallen angel, twisted game it's all the same
I've been the devil in this angel you see
Devil got a hold of me
And I just had to set him free
Tell me God was it me or was it he
Fallen angel, twisted game
Heaven it's all the same
I've been the devil in this angel you see.
