

Zoe Girl, With All My Heart

Zzzz Oooo Eeee Ggggg Iiii Rrrr Llll, Zoe Girl, Zoe Girl, Life, Life, Not just life, eternal life

You know I can't explain this feeling

It's almost like I'm dreaming this reality

You know You give me such a freedom

I finally found the way home

I'm right where I belong

Ever since the day I prayed

You into my heart I placed

Every bit of me into Your hands

Lord, I'm here to stay

With all of my heart

I'm gonna love You

With all of my soul

I'll put all my trust in You

With all of my strength

I'm standing beside You

With all of my everything

I will worship You, my king

With all of my heart

With all of my heart

Oh, Lord, I can't define You

Who am I to know You the way I do?

From now until forever

I promise I will never, never let You go

Lord, I want to be the one

After all is said and done

From now til eternity

I'm yours faithfully

With all of my heart

I'm gonna love You

With all of my soul

I'll put all my trust in You

With all of my strength

I'm standing beside You

With all of my everything

I will worship You, my king

With all of my heart

With all of my heart

Every night when I close my eyes

I am amazed at how You've blessed my life in every way

I'm mystified by Your great love

Nothing compares to having You near

Every day I'll love You more than the day before

With all of my heart

I'm gonna love You

With all of my soul

I'll put all my trust in You

With all of my strength

I'm standing beside You

With all of my everything

I will worship You, my king

With all of my heart

I'm gonna love You

With all of my soul

I'll put all my trust in You

With all of my strength

I'm standing beside You

With all of my everything

I will worship You, my king

With all of my heart

I'm gonna love You

With all of my soul

I'll put all my trust in You

With all of my strength

I'm standing beside You
With all of my everything
I will worship You, my king
