

Zoe, Sign your name

Fortunately you
Have got someone who relies on you
We started out as friends
But the thought of you just caves me in
The symptoms are so deep
It is much too late to turn away
We started aout as friends
Chorus
Sign your name across my heart
I want you to be my baby
Sign your name acroos my heart
I wannr you to be my baby
Time I'm sure will bring
Disappointments in so many things
It seems to be the way
When your gambling cards on love you play
I'd rather be in hell
With you baby than in cool heaven
It seems to be the way
Chorus
Birds never look into the sun
Before the day is done
But the light shines brighter
On a peaceful day
Sranger blue leave us alone
We don't want to deal with you
We'll shed our stains showering
In the toom that makes the rain
All alone with you
Makes the butterflies in me arise
Slowly we make love
And the earth rotates to our dictates
Slowly we make love
