## Zofia Marcinkowska, For You

in your eyes, I'm alive inside you're beautiful something so unusual in your eyes I know I'm home

every tear, every fear gone with the thought of you changing what I thought I knew I'll be yours for a thousand lives

I'm free as a bid when I'm flying in your cage I'm diving in deep and I'm riding with no breaks and I'm bleeding in love you're swimming in my veins you got me now

been waiting for a lifetime fort you been breaking for a lifetime fort you wasn't looking for love, till I found you for love, till I found you

skin on skin breathe me in feeling your kiss on me lips are made of ecstasy I'll be yours for a thousand nights a thousand lights

I'm free as a bid when I'm flying in your cage I'm diving in deep and I'm riding with no breaks and I'm bleeding in love you're swimming

been waiting for a lifetime fort you been breaking for a lifetime fort you wasn't looking for love, till I found you for love, till I found you
