

Zolof The Rock & Roll Destroyer, Popsicle

Don't be sad when your days are long and meaningless
When you're closed in playing solitaire, under ugly lights
I'm not a popsicle, I won't melt away
I knew I'd make you laugh
Rock on hey, hey
'Cause I know, it's ok
And I know, it's ok
Wouldn't you know, it's cold and damp when you're not here
And when I'm sad, what heavy eyes when you're not here
I'm not a popsicle, I won't melt away
I knew I'd make you laugh
Rock on hey, hey
'Cause I know, It's ok
And I know, It's ok
And I know, It's ok
And I know, It's ok
'Cause I know,
'Cause I know,
I'm not a popsicle, I won't melt away
I knew I'd make you laugh
