

Zombie Girl, Bleeder

I hear a noise inside my brain it is caressing me
I feel this urge inside my veins it is controlling me
It is controlling me
It is controlling me
I hear a noise inside my brain it is caressing me
I feel this urge inside my veins it is controlling me
I cannot help myself this body has to feed
I can't control myself I have to see you bleed
it is controlling me
it is controlling me
I hear a noise inside my brain it is controlling me
It is controlling me
It is controlling me
It is controlling me
It is caressing me
I hear a noise inside my brain it is caressing me
I feel this urge inside my veins it is controlling me
I cannot help myself this body has to feed
I can't control myself I have to see you bleed
