

# Zombie Girl, Bleeder

I hear a noise inside my brain it is caressing me  
I feel this urge inside my veins it is controlling me  
It is controlling me  
It is controlling me  
I hear a noise inside my brain it is caressing me  
I feel this urge inside my veins it is controlling me  
I cannot help myself this body has to feed  
I can't control myself I have to see you bleed  
it is controlling me  
it is controlling me  
I hear a noise inside my brain it is controlling me  
It is controlling me  
It is controlling me  
It is controlling me  
It is caressing me  
I hear a noise inside my brain it is caressing me  
I feel this urge inside my veins it is controlling me  
I cannot help myself this body has to feed  
I can't control myself I have to see you bleed
