

Zombie Girl, Bleeder (Industrial Strength Mix By S

"You want industrial? Well here's industrial... wahh"

I hear a noise inside my brain
I hear a noise inside my brain
It is controlling me
It is controlling me

I hear a noise inside my brain it is caressing me
I feel this urge inside my vein it is controlling me
I can not help myself this body has to feed
I can't control myself I have to see you bleed
It is controlling me
It is controlling me

I hear a noise inside my brain it is controlling me
(It is controlling me)
It is controlling me
It is controlling me
It is caressing me

I hear a noise inside my brain it is caressing me
I feel this urge inside my vein it is controlling me
I can not help myself this body has to feed
I can't control myself I have to see you bleed
