

# Zombina And The Skeletones, Villain

There's always one kid in every school  
Who's, oh, so full of hate  
Seething rage and vengeful genes  
But, yeah, he plays it straight  
His deeds are always sick and wrong  
Although he's just a kid  
Used to be a baby  
'Til he burned down his crib

Clapped his hands and all he said was:  
Finito, neato, neato, neato  
Woah, oh, oh  
Then everyone fell dead and said...

Don't talk to him, cos he's a villain  
Don't talk to him, don't look at him  
Don't listen to his lies, He's a villain  
Villain

Some misguided teachers said  
He's just misunderstood  
But everybody understands  
A villain ain't no good  
Andy's always building  
Evil, evil rays (for the GRA)  
That boy's not upset, my friend, no  
That boy's not ok

Stay away from classroom five A  
Saty away...
