

Zornik, Destination Zero

And after many hours, we don't know where we're going
I fear it's destination zero
And it's so hard to please you, to say the words that ease you
But I will always go my own way..

This was already know'n, but never really show'n
I know it's destination zero
But have you really tried?
I know that I was out, but now I'm falling even harder..

And you fall and you cry and you want me to die
Everything comes down on me
Despite of this you look so good to me
And you fall and you cry and you want me to die
Everything comes down on me
Despite of this you look so good to me

Where are you now..?
Save me tonight..
Take me away..
To stay anywhere..

And you fall and you cry and you want me today
Everything comes down on me
Dispied of this you look so good to me
And you fall and you cry and you want me today
Everything comes down on me
Dispied of this you look so good to me

Good to me..
Good to me..
