

Zounds, New Band

There's a new band every week
New ways to move your feet
New sounds to thrill your ears
Same old chords dresses up weird
New attitudes, brand new stance
Different steps but the same old dance
New ways but in the end
It's a new way to make you spend

The media cares cause the media knows
Fashions comes and fashions go
Last week trend is now passe
Cause there's something better to buy today
You can buy something and leave it at that
But you go and try to take it back
They'll offer you nothing though it cost the Earth
Soon show you what they think your worth

And there's a new band every week
New ways to move your feet
New ways but in the end
It's a new way to make you spend

Been searching for some thing but I don't know what, been searching for a long long time
Then someone comes along and says "this is it", but it will cost you, realize
You pay your money, try your luck, think your trust them one more time
But how long does it take to feel your being ripped off, there's always something new buy

There's a new band every week
New ways to move your feet
New ways but in the end
It's a new way to make you spend

New band, it's a new band
New band, new band
